

DARYL CECILE

I'm an ambitious student, currently undertaking a BSc (Hons) in Computer Science. As a member of the Developer Society at NTU, I am proactive and can find positive ways to engage with others and stimulate conversations.

In terms of results and objectives, I am decisive and work with conviction in order to complete the tasks at hand, whether it is for coursework, society-based projects, or work-related tasks.

Experience

ERT | Associate Software Developer | Aug 2018 – Jul 2019

Had the opportunity to work as part of the research and development team at ERT during a year-long placement where my duties included; feature design and implementation, and maintaining databases. Further to these, I was able to put my knowledge of JavaScript, C# and .NET to use in a larger scale product, while learning how to make these more efficient.

Code First: Girls | Coding Coach | Mar – Jun 2016

Worked as a team to provide coding assistance and mentorship to students aged 17+ with JavaScript, PHP, CSS, and HTML. Assisted students in acquiring skills to write efficient code, as well as providing implementation methods for their individual project ideas. In some cases, the individual has gone away to launch their start-ups, based on the ideas and guidance.

Just-Eat UK | Android Dev Intern | Sept 2015

Worked under the mentorship of the Head of Android Development Team on the Just-Eat Android mobile application. Learned about project management, scrum and sprints from the project manager, as well as shadowing the UI team during their proposal for the next campaign.

EC1 Spectrum Studios | IT Engineer | Jun – Jul 2012

Provided IT assistance to teaching staff and students. Deployed, set-up and configured digital instruments and software. This experience has also given me the chance to improve upon my C#, Java and PHP skills. In addition to the duties above, worked as part of the publication team to release digital advertisements, film, and record public interviews.

Education

BSc Computer Science

Nottingham Trent University | Sept 2016 – Present

- Computer Science Programming
- Internet Applications Programming
- Practical Project Management and Prof Development
- Information and Database Engineering

A Levels / BTEC

STEM Academy | Sept 2014 – Jul 2016

- BTEC Information Tech Level 3 [D*D*]
- A Level Computing [B]

Achievements

- Developing and maintaining an online mag called SlantedPress
- Co-founding a recognized non-profit called ProjectFunction

DARYL CECILE

Language Skills

Programming languages:

My website was created from scratch and contains projects written in the following languages/frameworks:

- C#.NET
- PHP
- SQL
- Java
- Kotlin
- NodeJS
- JavaScript, HTML & CSS

Spoken languages:

I am multi-lingual and capable of speaking:

- English (Fluently)
- French (Bien)
- Spanish (Un Poco)
